SIR DRACO RIVENOAK
(M.K.A. LEONARD FRISCH)
-SEPTEMBER 2023-

UNTO ALL AND SINGULAR as well Nobles and Gents to whom these letters shall come, Her Excellency/Capitan/Dame Ashlynn O'Conner, Member of the following Imperial Orders; Queen's Guard, Crown Companions; Imperial Baroness of the Court, Knight Bachelor, Knight Minister; Member and Capitan of Cathair Na Caillte Order of the Crown Guard; Queen of Arms of the Realm and Empire of Adria send greetings.

A call has been heard throughout the Empire of Adria regarding the service of Sir Draco Rivenoak also known as Leonard Frisch, late of the Archduchy of Albion-Rayonne;

WHEREAS, anciently and from the beginning the valiant and virtuous acts of worthy persons have been commended to the world with sundry monuments and remembrances of their good deeds, amongst which the chief and most usual has been the bearing of Arms which are demonstrations of knightly virtues. So hath it been and yet is continually observed to the end that such persons as have done great service to their Country or Empire, either in war or in peace, may receive due honor in their lives and derive the same successively unto their posterity forever more.

WHEREUPON the passing of such an individual leaves an indelible mark upon the Empire and a void in the place where our loved one has been, We the duly delegated representatives of the College of Arms have made search and do find the service to the Empire of Adria and its subjects by Sir Draco Rivenoak was exemplary.

THE NINE WORTHIES of history do shine as examples of honor, chivalry, courage, dedication, virtue, and valor. The Arms of the Worthies are forever held above all others as such examples and may be borne by hopefuls upon the field of honor until such time as the rights of an armiger are bestowed upon them.

FURTHERMORE with the Order of the Worthies of Adria being the only order created and recognized solely by the College of Arms of the Empire of Adria, We do hereby and herewith declare Sir Draco Rivenoak a Premier Member of the Worthies of Adria.

TO HONOR Sir Draco Rivenoak in perpetuity and by virtue of the power vested in me by the Empire of Adria, We hold the Arms of Sir Draco Rivenoak being;

"Per bend Gules and Or, two dragons embowed biting their own tails Counterchanged, overall a bend wavy Pean"

to be forever elevated and protected as "Worthy," to be borne by hopefuls upon the field of honor, should they have no registered arms of their own.

By Our hand, the 13th day of September 2023

In service,
-Ashlynn O'Conner-
