Greeting to the Imperial Estates of the Adrian Empire,

I hereby submit this request to be accepted to the Board of Directors of the Adrian Empire.

My philosophy of participation within the Adrian Empire has been one of contribution towards those in my life around me and towards the Adrian Empire. Being this is something that is necessary to the Adrian Empire I have also encouraged and promoted this in others.

Through my participation in the Empire, I have had the fortune to bring together members to form Estates from the level of House to March. I have served in various ministry duties such as Deputy Herald, Sovereign of Arms, Imperial Sovereign of Arms, Minister of Joust and War, and Chancellor. Often I have crossed offices to rolls and arts to support subdivisions I have participated in. I currently sit as a crown in the Archduchy of Kincora. I served as a squire for 18 months, and now hold second level knighting in both ministry and combat. Although these two areas have been my focus as disciplines in the past few years I also participate and contribute in Arts and Archery. I have been awarded the Title of Beast King of Arms, Lord of the Imperial Court and also inducted into the Order of the Nebula.

I believe I will be able to contribute to the BOD through my mundane history and experience.

I have held the position of Regional Director for Premier Salons Int. in the State of Florida. In this position I was responsible for Reviewing, evaluating and directing in all aspects for ten salons, and over one hundred employees. Reviewed area staffing schedules and directed changes according to customer demand and to minimize labor cost. Enforced standards, policies and procedures using discussion, documentation, warning notices and termination as needed. Completed reports, paperwork, payrolls, and management reports accurately and as scheduled. Monitored standards for safety and security. Represented company at local level in lawsuits and Workman's Comp situations. Maintained occupational licenses and standards set forth by the state of Florida.

In Previous experience I have managed various retail stores such as Kaybee toys, Adap Auto parts, and Rave clothing store. I have also managed two restaurants, Lisa's Pizza and Le Bec Rouge.

I have contributed to my community by Working with the Save the Earth Foundation as a National Educator for Paul Mitchell Systems. Organized and participated in Cut -A -Thons to support survivors of 9/11, and Hurricane Katrina. I have made donations to non profit organizations including Women in Distress and Pets in Distress. I have volunteered my time to help organize charity drives for Kids in Distress and to establish gift drop offs sites in my salons during the holiday seasons.

Those who come to work with me find intensity in my commitments and giving to the fullest of my abilities.

I thank you for consideration,

Anthony DeRivi

Sir L'Beté deAcmd

## **Candidate #3**

I am writing to submit my application for consideration for a one year position on the Board of Directors, and put forth the following statement for consideration.

Greetings unto Adria, allow me to introduce myself. My name is Dame Ariana RuddCatha, and I am submitting my application for consideration for a one year position on the Board of Directors. I am currently the Duchess of the Duchy of Cambridge and House Lady of Weyland, one of the Senior Estates of Cambridge. I am also a Knight Civil and Knight Archer within our Empire.

Within Adria I have helped to organize demonstrations within the Duchy of Cambridge that have increased our exposure in several states, including footage to be show on a national television station, and have Autocrated one of our Northeastern Banner Wars.

Mundanely, I am a law student, and within my studies have had the opportunity to work with local and national organizations in a leadership capacity, through Phi Alpha Delta and the American Bar Association, and have helped my chapter and state to increase in numbers through this participation. I have had the opportunity to hold a national vote that would affect the way the organizations would propose new legislation, or affect the status of the division.

As a Member of the Board of Directors, I would use this perspective to help serve Adria as a Corporation. I have had the opportunity to be a member of this organization since 2001, and have seen it grow and change, a majority of these changes rested on the Board of Directors, acting in their corporate capacity. Being a member of the Board of Directors is a great responsibility, as decisions will affect more than just the dream of Adria, they affect the running of the entire organization. I feel that I am ready to step up to that responsibility, and to serve the Adrian Empire, Inc to the best of my abilities.

In Service,

Dame Ariana RuddCatha  
M.K.A. Janna Wince  
Duchess of Cambridge  
Knight Civil, Knight Archer

**Candidate #4**

I, Earl Sir Winfred Randall Llewellyn ap Alyson, do hereby announce my wish to be considered for one of the 2 year positions on the BOD available in November 2007. As part of my qualifications, I have held the following positions in Adria:

- Emperor of the Adrian Empire
- King of the Kingdom of Adria
- Ruling Prince of the Kingdom of Adria
- Lord Protector of Adria-Twice
- King of Aragon
- Archduke of Aragon
- Lord Protector of Aragon-Twice
- Archduke of the Desert Rose
- Duke of the Desert Rose
- Knight Combatant
- Knight Civil
- Minister of Joust and War
- Chancellor
- Imperial Magistrate
- Royal Magistrate
- Royal Justicar
- Arts Judge [Working on my Robe Knighthood]

I am well versed in the Adrian Bylaws [I helped write or pass many of them]. I am also well versed in Arizona's non-profit organization laws and Nevada's foreign corporation Laws. I believe the current change to separate the BOD [mundane dealings] and the Imperial Thrones [The Game] is a good one, these two functions have become too complex. The thrones need to deal with the Game and the Theatre of what we do; the BOD can leave them free to do this by concentrating on the Mundane side. I also believe in the Imperial Estates staying as the final say in All matters Adria, And that the BOD will always do its job based on how we play the Game, not the BOD dictates how we Play[As always though, subject to mundane laws].

I have worked closely in the past with the new President of the BOD, Sir William Baine, and we have always worked well together, even when we disagree on individual items.

I always have and always will believe it is my duty as an Imperial Peer and Member of the Imperial Family to be an Advocate for any member of the populace who has a care or concern that they feel is not being voiced or addressed. In Mundane life, I have degrees in Music and Theatre, 2 AAs, and a BA. Many different technical certifications and memberships, I am a Fellow of the Audio engineers Society, have worked as a Theatrical Technical Director, and run crews of up to 50. I have done projects up to \$500,000[And Always in Budget], I now work as an Audio Engineer and Video calibration consultant.

I started in The Current Middle ages at age 13 as a Madrigal Singer in the Southern California Renaissance Fair. Fenced in College and have been active in our style of Historical re-enactment/recreation for over 28years. I hope you will decide to give me a chance to serve Adria in this [for me] new direction.

YIS,

HIG Sir Winfred

M.K.A. Randy Allison

I would like to request that you accept this letter as consideration for any available seat on the BoD that comes open within the next year (July 2008).

I believe that I am fully qualified under Adrian standards and feel that my skills, talents, dedication, and previous experiences in Adria, other recreationist groups, and other organizations will be an asset to the BoD.

I am not currently sitting on any other BoDs but have previously sat on a total of 4. During my tenure with these other organizations, I have been >seated as the parliamentarian for 3 consecutive years, as secretary/treasurer >for 1 year, and as a "member at large" for 3 years.

I have a solid business foundation with a current equivalency of an AS degree in Business Administration, and have owned an operated 2 businesses of my own previously. I have also jumped through all the legal hoops to setup 2 other nonprofits (both social clubs) and am involved in setting up a 3<sup>rd</sup> which is educational.

In Adria, I feel that I am very well connected to those in my region. Not always well liked as I am very determined to make Adria succeed and at times very vocal with my opinions; but I am definitely respected by my peers and neighbors. I have also been very devoted as a minister for the Empire.

My job offers me the freedom to travel to the IEM meetings and I have the financial resources to do so as well.

I also have the ability to increase the BoD's communication efforts with various technical items if needed/wanted (VoIP etc).

I invite all questions regarding my consideration.

Respectfully Submitted,

Kevin R Plummer

I am Elizabeth (Beth) Crousore from the Kingdom of Albion in Las Vegas.

I am seeking the one year position with the BOD. I have been to all but one of the Imperial Estates meetings in the last two years. I have been an active member of the Adrian Empire for the last 5 years, rarely missing an event during that time and holding some type of Ministry position during that time. I have also sat in on BOD meetings when it was permitted. For over a year, I have been Crown of the Kingdom of Albion. I have worked with my co-rulers to manage contracts and oversee budgets so that the Kingdom stayed active. In my mundane life I have worked Customer service for the past 6 years for Medco Health. Thanks for your consideration.

Thanks

Katriana MacBrus of Kingdom of Albion
