

Unto the populace and estates of the Adrian Empire,

I have had the opportunity to serve on the Board of Directors for the past year, and would like to be considered to have the opportunity to serve again for a full 2 year term. Mundanely, I am a recent Law school graduate, and am pursuing a Masters in Taxation. Within Adria, I have served as Chancellor, Minister of Arms, Minister of Rolls, and currently serve as the Hospitaler, Minister of Arts and Sciences, and Co-crown of Adria. I have been a member of this organization for the past 7 years, and have seen it grow and change within that time. As a member of the Board for the past year I have worked with the Current President, Vice President and members to ensure the corporate aspect of the Empire functioned smoothly. I have been an active member of the Board, and have greatly enjoyed my experiences serving in this capacity.

At the last estates meeting it was decided that there should be 2 members of the Board from each region, and I respectfully submit myself for your consideration to be one of those representatives for the East.

In Service,

Janna Wince, Dame Ariana RuddCatha

---

Greetings

I am Bill Lukey AKA Waldham van Torsvan, and I am running for the Region 2 BoD position.

I have served a 2 year term on the BoD already and would like the opportunity to serve again.

I am a retired Crown, Knight Premier and Knight Bachelor.

Previously I have been an Imperial Justicar and am currently Imperial Minister of Information.

At the Kingdom level I have been the Crown, Chancellor, Arts and Sciences Minister, Physiker, Hospitaler, Chronicler, Webmaster, and Baron.

At the Duchy level I have been Chancellor, Physiker, Hospitaler, and Baron.

I have been a member since 1995 and I also have a lifetime membership.

I was one of the founders of the Kingdom of Avalon in Arizona. I also helped found the Lau Kanaka No Hawaii, the original Hawaiian club in Arizona which is a 501-c3. This club created the Aloha Weekend which grew so rapidly it was spun off into its own 501-c3. The festival is now a 3 day weekend event with well over 100,000 visitors.

I was a Security Specialist Supervisor at Motorola where I handled network and computer security in addition to physical security for personnel. I am familiar with HIPPA and other privacy issues as we were a part of personnel and health services.

I co-chaired the Motorola SPS International Computer Council which set computer and network standards and wrote the applicable SOP's to go with them.

I also dealt extensively with privacy issues while a faculty member and student advisor at Mesa Community College. I also did budget planning and performance evaluations at the college.

I would appreciate the opportunity to serve the Empire on the BoD again.

Thank You

Bill Lukey

Aka Waldham van Torsvan
