

Greetings unto Their Imperial Majesties and the Estates and populace
of the Empire;

As Imperial Court Herald, since taking office, I have assisted with the
Coronation ceremony of Their Imperial Majesties and served as
herald at their first Court. At Their request, I also requested advance
notice of business at the forthcoming Imperial Court to be held
during the March Imperial Estates meeting and reminded those
attending of basic court procedure.

I remain available for any and all heraldic duties on behalf of Their
Imperial Majesties as required or requested.

Yours in service;
Sir Gregor Pent Graf von Schongau, Vox Coronis
