Greetings to their Imperial Majesties and the Empire,

We have been busy here in the office of Rolls.

My Deputy of Audits Dame Kaytlyn has been busy processing 3rd level Knighthood audits.

We would like to congratulate the following members.

- Jan 4, 2012 ~ Terre Neuve ~ Sir Dietrich Von Lubeck ~ Knight Champion
- Jan 7, 2012 ~ Umbria ~ Dame Natasha ~ Knight Premier
- Jan 10, 2012 ~ Member at Large ~ Dame Rowena Roemer ~ Knight Premier

My Deputy of Conversions Dame Genevieve LaRousse has processed a conversion for Sir Tomas Blackbeard Downey of Esperance. She has also worked on a handout for an SCA to Adria "translation" page. To help our SCA friends better understand Adria and how our Knighthoods and rank relate to them.

The over all processing of rolls is moving along. The one thing that would really help me is if local rolls offices would turn their rolls in, in a timely matter and NOT sit on them for months then dump them all at one time. The other thing that would help is if local rolls officers could get the help they need from there local ministers in getting the information that I am requesting and not holding up rolls for months. I feel there are a few laws that need to be reviewed so that we can get a clearer understanding of them as a group.. (ie. Group arts, DI's, Demo points etc.)
