

Imperial Archivist Report February 2012

The office of Archivist for the Adrian Empire has received boxes from Sir Cameron.

The boxes consist of:

Membership files, 5 boxes
R&L files, 17 boxes
BoD files, 1 box
Financial information, 6 boxes

Sir Cameron will be turning over the last financial box, that where unintentionally left in his car, as soon as possible.

At this point the only thing that this office has done is to create an inventory of the contents for the Imperial body.

YIS,

HE benJannoo Alistrina Bhallach Amragosso
