## FINAL DISPOSITION

Greetings and Salutations unto Sir Klaus, the charges against you have been formally dismissed as your counsel, Sir Eric, requested at the kingdom event on the 24th of March in the year 2001.

The reasons for dismissal are as follows;

- Sir Klaus did not receive the email dated November 06, 2000 notifying him of the points in question in his audit. The original email does not show what email address the email in question was sent to. The Chancellor of Terre Nueve has three different addresses for Sir Klaus. The only correct email since I have been Chancellor of Terre Nueve is xxx@xxx.
- Sir Klaus's own records showed he needed the same points in question to attain hissecond-level Knighthood.
- As I Arutha Con Reyes, Chancellor of Terra Nueve stated in the email dated Thu, 22 Mar 01 21:11PM PST this matter would be settled at the Kingdom event. Sir Mordred did not show to the event nor did he appoint another person to speak for him in his place. With the absence of the accuser and the arguments made by Sir Eric I saw no other recourse other than to dismiss the charges against Sir Klaus. Sir Klaus knows the points he is missing and this matter is over.

Chancellor of Terre Nueve,  
Arutha Con Reyes
