

LETTER OF REGISTRATION AND  
RETURN  
JULY - AUGUST 2015

Unto Their Imperial Majesties, and to all unto these letters come do I, Baron Sebastian Javier de la Cruz, Imperial Sovereign of Arms, send greetings.

This is the Official Letter of Registration and Return for the months of July and August, 2015.

Reports were received from the following chapters:

**Alion-Rayonne, Alhambra, Auroch's Fjord, Brandenburg, Cashel, Constantinople, Drachetor, Esperance, Gloucester, Glynmore, Konigsburg, Lancaster, Malta, Monaco, Murrisk, Somerset, Stirling, Terre Neuve, Wolfendorf**

The following chapters did not send in reports:

**Altland, Bisqaia, Brunico, Chesapeake, Connacht, Cyprus, Pembroke, Raven's Fjord, Roanoke, Thinaria, Umbria, VarHeim, York**

The past two months have been relatively quiet on the heraldic front, with only nine registrations, two transfers, and one return.

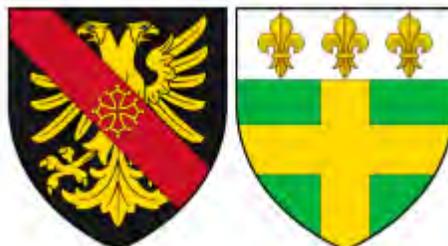

With the change in the official timeline of the Adrian Empire, as of the July meeting of the Imperial Estates, the College of Arms will be updating the manual shortly. No substantial changes to policy, procedure, or guidelines are planned at this time. The changes are meant to reflect the change in our Empire's timeline. This should be completed within the next 30-60 days.

Additionally, with this publication, I am pleased to bestow the title of "Alerion King of Arms" upon the Minister of Arms of the chapter of Glynmore. This title will be used to identify Glynmore's Minister of Arms within the College of Arms.

In Service to the Empire,

**BARON SEBASTIAN JAVIER DE LA CRUZ**

**BARON IMPERIAL & ROYAL  
IMPERIAL SOVEREIGN OF ARMS**

*Device*

5865

Gules, a bend Or between in chief a wagon wheel and in base a cauldron Sable.

*(ISOA Note: Returned for a Rule of Tincture violation. There are exceptions which allow Sable to be placed upon Gules, but that applies to ordinaries [Chief, Bend, Fess, etc.] and not to charges. If the tincture of the charges are changed, it will pass.)*

### Glynmore

**Kathryn**

*Device*

8981

Vert, a tree blasted and eradicated Argent and on a chief Azure an owl afrontee Argent.

*(ISOA Note: Returned for a Rule of Tincture violation. Color ordinaries cannot be placed upon color fields, with few exceptions, as noted above. This submission, however, does not meet the requirements for an exception. Altering the tincture of either the chief or the field to a metal or fimbriating the chief would clear the violation.)*
