

Letter of Return and Registration October 2005

Greetings,

We have a new item to present to the Empire. "Patens of Registration" are now being issued from the College. Sir Guillaume Marchand du Fleur has worked to design and create them. Thank you Sir Guillaume, for your continued contributions to the College and the Empire. Heralds may access the patents on the Adria Heraldry Yahoo Group in order to print them out. In the file section there is a file named "Patents". Within this file is a file for each of the Chartered Subdivisions in the Empire. These files will be updated after the issuing of a LoRR. The College of Arms truly hope's you all enjoy this contribution to our historical commitment and ideology.

*In Service,
Sir L'Bet'e deAcmd
