## A MESSAGE FROM THE IMPERIAL FAMILY

Good populace,

The first couple of months of Our reign has been far more hectic than We had imagined! But We do believe things are beginning to settle down. Of course, things are still a bit busy, and is complicated by HIM Sir Karl's health. While HIM was indeed flirting with a bit of ill health, HIM has decided that getting well was a much better idea. HIM is well on the way to dancing on tables again and We thank everyone for their well wishes.

As you may be aware, it is one of Our goals to have all possible information available to you, the populace. This includes the most current by-laws, manuals and how-to guides. It is a work in process, and We would like to thank Our ministers for their help in Our endeavor. Without them, none of the manuals would be available, much less current or accurate. It is Our further goal to make available additional how-to guides, FAQs, and other information. If there is something in particular you would like to see online, please let Us know so that We can consider it.

There are a number of Crown Wars coming up, and this brings up a procedure that is often overlooked. Once someone has declared their intent to vie for a Crown, the regional chancellor must verify their eligibility. The regional chancellor must inquire of the *Imperial Steward* (not the local Steward) as to the declarant's membership status (Article VIII.B.1.c). Chancellor: Be sure you ask about continuous membership! If you simply ask if they're current, or what their membership looks like, all the Imperial Steward is likely to do is check their status as it exists today. "Current" does not necessarily mean there wasn't a lapse.

The same anniversary date does not necessarily mean there wasn't a lapse. *Be specific in your inquiry!*

With respect We remain,  
Dame Maedb, Empress  
Sir Karl, Kaiser

requests the honor

### **Special Events:**

A Bardic competition will be held at the event. An evening of song, poetry, and dance is expected. All those who are interested in participating in the competition please contact Dame Julianna Elizabeth Veronica Joanna Messina at [joleym@yahoo.com](mailto:joleym@yahoo.com) for further details.

## ESPERANCE

Reported by Dame Aleta O'Barry van Hansard

The January event was well attended but there were few arts entries. But, what entries there were made up for this! We had two tourney winners. Sir Robert "Jestar" de la Fonteyne entered a black raspberry cider and Sir Jamie the Red not only received a tourney win but a Masterwork for his presentation box! Vivat!!

To help encourage members to enter the arts this year Their Royal Majesties, Sir Conell and Dame Aifa, have set up a contest whereby for each arts entry during this coming year you will receive a 'ticket'. These tickets will be accumulated in a sealed box. At the Crown War in November names will be drawn and donated prizes awarded. So far we have a handcrafted box by Sir Jamie the Red, a stained glass by Dame Katherine Marshall, bottled 'sprints' by Milisent de Lily and Sir Ce'Wolf and I'm sure there will be more along the way!

## TIERRA DEL FUEGO

The Archduchy of Tierra del Fuego gathered to help Master Nicholas Worthington and his good wife celebrate their anniversary at a Yule celebration in mid-December. Known throughout the Empire for their culinary skills, the cooks of Tierra del Fuego worked overtime, and a wondrous feast was presented, including a selection of cheeses, spiced beef, a fine meat pie served with Caneline Sauce, hedgehogs, several sops, a variety of breads, and sundry other dishes. The feast was ended with pears poached in wine, spices, and small biscuits. After the feast, Yule was celebrated with the exchange of small tokens of esteem. A brief Yule court was held to afford Princess Elisabeth the opportunity to bestow knighthoods on the current Archduchess, Dame Juliana Sattler, and on the heir apparent to the ducal coronet, Dame Maud de Clayton. Dame Juliana Sattler was named a Knight Archer and a Knight Robe, while Dame Maud de Clayton was named a Knight Civil.
